

TERMS AND CONDITIONS

1. Scooter Sightseeing bears no responsibility for any delays caused by traffic, breakdowns, road conditions, weather conditions or any other factors outside of its control and not attributable to it.
2. Scooter Sightseeing can – at its own discretion and at any time, including during the tour itself – modify the tour itinerary in the event that this becomes necessary for operational reasons or due to force majeure. Scooter Sightseeing will not be liable for any compensation in this event.
3. Customers that have booked the Vespa Tour must arrive at the Meeting Point, whose location will have been previously communicated via email, at least 45 minutes before the start of the tour. Customers must bring a valid driving licence and credit card (not a debit card, cash card or rechargeable card) in order to complete the check-in process (signing the rental contract, payment of deposit on the credit card, which will be used as guarantee, training on how to use the Vespa and audio guide).
4. Customers are required to sign the official, Italian-language version of the rental contract at the Meeting Point. An English translation of the contract will be sent to the customer via email when they make a booking. Customers are required to read the contract and address any queries via email before the day of the tour. No questions can be asked or explanations given regarding the contract during the tour, in order to avoid delaying the check-in process and the beginning of the tour. Any customers who refuse to sign the contract at the Meeting Point will be unable to participate in the tour and will not be entitled to reimbursement.
5. Customers who fail to produce valid documents or that do not have a credit card (not a debit card, cash card or rechargeable card) to use as a guarantee will not be able to take part in the tour and will not be entitled to reimbursement.
6. Customers who arrive late at the Meeting Point accept that they may be unable to take part in the tour if a member of our team believes that there is an insufficient amount of time to complete the check-in process. In this event, customers will not be entitled to reimbursement.
7. Customers that have booked the Ape Tour must arrive at the Meeting Point, whose location will have been previously communicated via email, ten minutes before the start of the tour. In the event that a customer is over 45 minutes late, they will be considered a “no show” and will be unable to take part in the tour or receive any reimbursement.
8. Customers that have booked the Vespa Tour accept that there are risks associated with the weather. If a customer decides not to begin the tour, despite a member of our team being happy to run the tour, that customer will not be entitled to any reimbursement. By contrast, customers will be entitled to a full refund of the amount paid in the event that a member of our team believes it unwise to begin the tour due to heavy rain. If, after the tour has begun, bad weather causes delays or results in a temporary pause and/or the definitive abandonment of the tour, customers will not be entitled to reimbursement. Customers accept that the Ape Tour is not subject to bad weather and, therefore, in the event that customers decide to cancel or interrupt the tour, they will not be entitled to reimbursement.
9. Booking the tour online, prepaying the fee in full and receiving confirmation of the booking does not provide the customer with a definitive guarantee that the tour will take place, in the event that this is made impossible by force majeure not attributable to Scooter Sightseeing. The customer absolves Scooter Sightseeing from responsibility for any damages sustained and/or damages that may be sustained in the future. Any legitimate damages sustained by the customer shall never be in excess of the total fee paid for the booking.
10. Scooter Sightseeing will under no circumstances be held responsible for any damages caused by accidents, loss of personal belongings or loss of money of any kind.
11. The customer absolves, exempts and exonerates Scooter Sightseeing from and against any claim, legal action, request, damage, loss, responsibility, cost or expense, including but not limited to legal and economic issues deriving from damages sustained during the tour as a result of the use of motor vehicles provided by Scooter Sightseeing.

12. Customers take luggage or belongings with them at their own risk and are solely responsible for looking after it.

13. By making a booking, customers accept these terms and conditions and the cancellation policy published on the website in full.

14. Although translations of this form exist in other languages, the Italian version holds legal validity.

15. The court of Naples is the sole competent court for all disputes relating to the validity, efficacy, execution and interpretation of these terms and conditions.

STANDARD CANCELLATION POLICY

In the event that a customer cancels the tour up to 30 days before the start date, they will be entitled to reimbursement of 95% of the fee paid. In the event that a customer cancels up to 15 days before the start date, they will be entitled to reimbursement of 50% of the fee paid. In the event that a customer cancels within 15 days of the start date, they will not be entitled to any reimbursement. Customers are unable to change the date and time of the tour.

UPGRADE CANCELLATION POLICY

Customers who have chosen to upgrade the Cancellation Policy during the booking process for a small additional fee will benefit from the following advantages:

1. Option to cancel their booking up to 12 hours before the tour start time for a full refund. In the event that the customer cancels less than 12 hours before the tour start time, they will not be entitled to any reimbursement.
2. Option to change the date and time of the booking, subject to availability.
